

SUMMARY

I am currently pursuing a B.Tech in Computer Science and Engineering from Gandhi Institute of Engineering & Technology University. I have a strong interest in programming and software development, with hands-on experience in C, Java (OOP), Python fundamentals, and web technologies like HTML, CSS, and JavaScript. I've worked on a few academic projects, including a Real-Time Translator web app. I'm also learning Data Structures and Algorithms in Java to strengthen my problem-solving skills. My goal is to become a skilled software developer and secure a job by the end of my 6th semester

EDUCATION

Gandhi institute of engineering and technology
Bachelor's Degree in
Computerscience and
engineering
Expected in 2027

SKILLS

- Programming Languages:
C, Java (OOP), Python (Basics), JavaScript
- Web Development:
HTML, CSS (Basic), JavaScript
- DSA:
Currently learning in Java
- Tools: VS code
- Soft Skills:
Time management
Team collaboration
Organization and multitasking
Problem-solving
Clear communication

PROFESSIONAL EXPERIENCE

Work Study Student|Internshala
Remote - May 2024 - June 2024

- Engaged actively in professional development opportunities, continuously seeking to improve and grow in the work-study role.
- Contributed to a positive work environment by maintaining strong relationships with peers, supervisors, and students.
